

Canoe Challenge 2024

FUNDRAISING CHALLENGE
SATURDAY 7TH &
SUNDAY 8TH SEPTEMBER
SUDBURY, SUFFOLK

STEEL

BONES
FOR CIVILIAN AMPUTEES

WE ARE **VERY EXCITED** TO LAUNCH OUR **FIRST FUNDRAISING CHALLENGE SINCE 2018.**

Our Canoe Challenge 2024 is happening thanks to the incredible support of Sudbury Canoe Club to help us help more amputee families overcome the day to day struggles amputees face.

This challenge is designed to suit all levels of those who enjoy water and canoeing. The challenge is Sudbury to the Sea, over 20 miles spread over 2 days with a night camping at Wissington near Nayland. The paddle will allow you to see some of the most beautiful scenery in Suffolk much of which is inaccessible by road or foot. You can take part in some of it or all of it, it offers a genuine test of endurance and a deeply satisfying sense of accomplishment upon finishing.

FUNDRAISING

There is no entry fee to take part in this event, all we ask is that each person raises around £100+. We will assist with setting you up with a fundraising page linked to the challenge, provide sponsorship forms and can give you tips on how to achieve your target, so you are fully supported to help achieve your target. As well as a fundraising t-shirt and full support throughout the weekend.

PRACTICE DAY

As part of signing up you will need to complete a free training session to get you comfortable on water and answer any questions you have with our expert. Full details of the practice day are provided once you have registered for the challenge. Date to be confirmed once numbers are finalised.

If you think you would enjoy this and would like to raise monies to help us help more amputee families then **please contact us on hello@steelbone.co.uk or 01223 734000** to register your interest.
