

CHRISTMAS THINGS TO DO

We know times are tough at the moment for a lot of people and families.

We hope the activities in this pack will give you some ideas of cheap and free things to do over the festive season.

Things to do at home for Christmas.

- **❖ Make paper chains.** You can use anything you have at home, spare wrapping paper, newspaper, colourful paper, packing paper...
- Christmas movie and popcorn night. What's your favourite? See the link further into this pack for a link to Christmas 2023 TV. Did you know you can borrow DVDs and games from your local library?
- Find a book you already have and have a cosy night reading. Get your blankets or duvet and a hot drink and lose yourself in your favourite book.
- ❖ Make paper snowballs and have an indoor snowball fight. Can you balance your snowballs and make a snowman!?
- * Have a pyjama day. And relax!
- Fill a jar with kind words, written on paper, that you can read when you need them most. How would you make a friend feel better? Use that same kindness to yourself, you matter, and you are enough.
- ❖ Put on some Christmas music and sing along. Whether it be classics or up to date songs, music has an incredible healing power...pump up the volume!
- **❖ Take some silly selfies.** Have some fun and be silly, you'll be amazed how much brighter you feel after making yourself and others laugh!
- ❖ Make a den with cushions, pillows, and blankets. Maybe you could use this as your reading nook for your pyjama day?
- Deep breathing for relaxation. There are some great techniques further into the pack.
- ❖ Mindful colouring. Put on some relaxing background music and take some time out.
- Write a letter to someone you haven't seen for ages. Who doesn't love receiving a personal letter or card through the post?! When it feels like technology is taking over let's get back to basics. If you'd like to write to us, we'd love to hear from you! Our address is later in the pack.
- Make paper snowflakes. Ideas for designs on the next page!

If you're feeling anxious, try this quick relaxation technique:

- · Sit with your feet flat on the floor.
- Make sure your are warm and comfortable.
- Concentrate how your feet feel on the floor.
- · Close your eyes and breath into your belly.
- Try breathing in through your nose and out through your mouth.
- As you breath in try to count up to 5 steadily.
- Then, without holding your breath, breathe out to the count of 5 gently.
- Try to do this for 3-5 minutes every day.
